ABM is pleased to announce that it is sponsoring the Jane's Police Review Gala Awards 2009 on 28th October 2009 at the Hilton Hotel on London's Park Lane.

The awards seek to acknowledge the achievements of police teams and individuals in four key areas:

- Community Police Officer of the Year
- Student Police Officer of the Year
- Community Support Officer of the Year
- Diversity in Action Award

ABM is delighted that, like last year, a large number of officers from Forces using ABM's police software solutions have been nominated for the various awards and wishes them all the best of luck.
